To whom it may concern:

We have used LaCrosseWisconsin.com as an advertising resource. The owner Bob Schmidt has gone above and beyond what normal business owners would do. We were struggling with position on search engines and with his assistance we have dramatically gained ground in that area.

I would highly recommend using LaCrosseWisconsin.com as a resource for advertising. It will make your search engine positions better and also you will get great service. Bob does an awesome job of promoting your business on social networks such as Facebook and Twitter .

If you ever have any questions about advertising on LaCrosseWisconsin.Com please feel free to call or email me.
